BUY ELF BAR TRIO 40000 PUFFS VAPE

Tired of vaping the exact same taste all day? Buy ELF BAR TRIO 40000 Puffs Vape solves flavour fatigue instantly. Available at Vape Shop Dubai, this 3-in-1 multi-flavour system lets you switch between three distinct e-juices in one slim device. Whether you want a single taste or wish to blend them using the adjustable flavour switch, this unit keeps every puff fresh. This device uses quad mesh coil technology to keep the flavor channels distinct so that you receive a clean and uncontaminated taste throughout the 40,000 puffs. It provides an instant throat hit with a nicotine salt concentration of 50 mg.

This zero maintenance system is designed to make things extremely easy, safe, and reliable. You won't have to deal with messy refills or coil replacements, as this model is perfect for newcomers who are transitioning from regular cigarettes. The innovative digital screen will show you the exact amount of battery life and remaining liquid. Inside there's a dependable 850 mAh rechargeable battery which is fast-charged via the common USB Type-C port. Its ergonomic design will fit perfectly in your hands, producing dense vapor, long-lasting battery, and more stable flavor.

We supply 100% factory-sealed stock at the lowest price for UAE customers. Enjoy fast courier dispatch, including same-day delivery options and cash-on-delivery service in Abu Dhabi with zero hidden fees. Upgrade your daily vape setup today and enjoy total flavour control in one powerful device!
